

EXPRESSION OF INTEREST

& Letter of Engagement — Institutional Collaboration with Quantum World Ventures

We, the undersigned institution, are pleased to express our sincere interest in collaborating with **Quantum World Ventures** across its Learning & Development, Research & Development, and Technology Consulting initiatives. We believe this collaboration can meaningfully advance our institution's academic, research and technology goals, and we welcome the opportunity to formalise this engagement.

1. INSTITUTION DETAILS

Institution Name	Type of Institution (Engineering / Non-Engineering / University / Research Institute)

4. BRIEF NOTE ON OUR INSTITUTION & OBJECTIVE OF COLLABORATION

5. DECLARATION

We confirm that the information provided above is accurate to the best of our knowledge. We understand that this Expression of Interest is non-binding and does not, by itself, constitute a formal contract. Quantum World Ventures may, at its discretion, follow up with a detailed Memorandum of Understanding (MoU) or Engagement Agreement based on this Expression of Interest.

6. TERMS OF THIS EXPRESSION OF INTEREST

1. This Expression of Interest (EOI) is a preliminary, non-binding statement of intent and creates no legal or financial obligation for either party.
2. Submission of this EOI does not guarantee collaboration; Quantum World Ventures reviews and responds to every application at its own discretion.
3. Any formal collaboration will be governed by a separate, mutually signed MoU or Engagement Agreement setting out specific terms, deliverables, timelines and confidentiality obligations.
4. All information shared in this EOI is treated as confidential and used solely to evaluate this collaboration.
5. This EOI is valid for 90 days from the date of signature below, and may be renewed by mutual agreement thereafter.
6. This engagement is additionally governed by the Quantum World Ventures Terms & Conditions, available at quantumworld.in/terms-and-conditions.html.
